Gamblers Anonymous:

Gamblers Anonymous (GA) is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from a gambling problem.

The only requirement for membership is a desire to stop gambling. There are no dues or fees for Gamblers Anonymous membership; we are self-supporting through our own contributions. Gamblers Anonymous is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any cause. Our primary purpose is to stop gambling and to help other compulsive gamblers do the same.
